WHY INVEST

Investing primarily in Canadian and international companies, the Caldwell North American Fund, formerly the Caldwell Balanced Fund ("CNA") offers an actively managed and focused portfolio of stocks which the Manager believes provide attractive potential for long-term capital appreciation.

KEY FEATURES

- High active share equity portfolio typically comprised of 20 to 30 stocks that possess compelling valuations, experienced management teams and strong balance sheets.
- Bottom-up investment approach, which employs a combination of in-depth quantitative and qualitative fundamental analysis.
- No closet indexing.

THOUGHTFUL INVESTING

¹The Fund merged with the Caldwell Global Financial Services Fund and changed its investment objective 06/25/2012. Refer to the Annual Information Form for more information. Effective 11/16/2020, the fund no longer allocates fixed income as part of the investment strategy. Refer to the amendment #1 to the Simplified Prospectus dated 10/13/2020.

The information contained herein provides general information about the Fund at a point in time. Investors are strongly encouraged to consult with a financial advisor and review the Simplified Prospectus and Fund Facts documents carefully prior to making investment decisions about the Fund. Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Rates of returns, unless otherwise indicated, are the historical annual compounded returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholder that would have reduced returns. Mutual funds are not guaranteed; their values change frequently and past performance may not be repeated.

Publication date: January 8, 2021.
