### CALDWELL U.S. DIVIDEND ADVANTAGE FUND CLOSES OVER-ALLOTMENT OPTION

***NOT FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES.***

**Toronto, ON – July 3, 2015:** Caldwell Investment Management Ltd. (the “Manager”) is pleased to announce that the syndicate of agents for the initial public offering of units (“Units”) of Caldwell U.S. Dividend Advantage Fund (the “Fund”) has exercised a portion of its over-allotment option. As a result of the exercise of the over-allotment option, the Fund raised additional gross proceeds of \$1,850,000 from the sale of 185,000 Units. Inclusive of the over-allotment option, the Fund raised gross proceeds of \$51,850,000 from the sale of 5,185,000 Units. The Units are listed on the Toronto Stock Exchange under the symbol “UDA.UN”.

The investment objectives of the Fund are to provide holders of Units with: (i) monthly cash distributions; and (ii) the potential for capital appreciation and enhanced long-term risk adjusted returns. The Fund will invest in an actively managed portfolio (the “Portfolio”) comprised primarily of U.S. dividend-paying equity securities that exhibit a combination of low current volatility and high profitability and are expected by the Manager to significantly benefit from the current U.S. economic expansion. In addition, the Fund will incorporate a disciplined risk management process that is designed to tactically shift the Portfolio towards the least volatile sectors of the market and reduce equity exposure from time to time in advance of future market downturns in order to mitigate the potential for capital loss.

The Fund will not have a fixed distribution but intends to pay monthly cash distributions based on, among other things, the actual and expected returns on the Portfolio. Based on current estimates and the assumptions set out in the final prospectus of the Fund dated May 28, 2015, the Fund’s initial distribution target is expected to be \$0.05 per Unit per month (\$0.60 per annum per Unit) representing an annual yield of 6.0% on the Unit issue price. The initial cash distribution is anticipated to be payable on or about August 14, 2015 to holders of Units of record on July 31, 2015.

Caldwell Investment Management Ltd. is the manager and portfolio manager of the Fund. The Manager is a wholly-owned subsidiary of Caldwell Financial Ltd. and is a member of the Caldwell group of companies (“Caldwell”). Established in 1980, Caldwell provides full service investment management, advisory and custodial services to individual and institutional investors and has assets under management and administration of approximately \$1 billion. Based in Ontario, Caldwell has 60 employees including 30 investment professionals and operates out of six offices.
